OK we will just send him a set going forward to minimize any delay. Are there any other EPA regional contacts we should be sending docs to going forward?"

Please feel free to forward him copies of the documents directly. However, we did copy and forward a copy of what you sent us as soon as we received them. Elise.

Elise:

John Gulch is anxious to get documents. Have you provide him with copies of what we already produced? Are you opposed to us sending him a set of documents simultaneously with us sending you as set? Please let us know ASAP.
